

## AXIS Pendant Kits for fixed domes

Expand the mounting options for Axis fixed dome network cameras

- > Expands mounting options
- > Standard dimensions
- > Easy installation
- > Internal cabling
- > Stylish design

AXIS Pendant Kits are designed to expand the options for mounting Axis fixed dome network cameras. Different solutions enable wall, ceiling or parapet mount to ensure a clear field of view.

All brackets have internal cable channels, which protect the cables from intentional and unintentional damage.

Accessories are available to enable both corner and pole mounting. The tubes for hard ceiling mounting are especially useful for avoiding objects blocking the view.

Supported cameras are: AXIS M3203/-V, AXIS M3204/-V, AXIS P3301/-V, AXIS P3304/-V Network Cameras.
