

5" Indoor Plenum Rated Recessed Dome

| Model Name | Model Description | Item Code |
|------------|--|-----------|
| A-ID5C5 | 5" clear indoor recessed dome housing | 1381V109 |
| A-ID5T5 | 5" tinted indoor recessed dome housing | 1381V110 |

The 5" indoor recessed dome is ideal for indoor use where a plenum rated enclosure is required. This dome has a steel body and trim ring, and a polycarbonate clear or tinted capsule. Its small size and high quality capsule also makes it ideal for indoor mounting of high zoom PTZ cameras

Compatible Canon Camera Models:
VB-H41 , VB-M40 , VB-C60
