

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Upper Mounting Bracket T head for existing ALU-TP-58-PHRT aluminum towers. This upper mounting bracket mounts via the 1.9" ID round mount to allow sliding over the existing 1.9" OD round mount on ALU-TP-58-PHRT quadpod. This aluminum T head mounting bracket measures 24" in length and constructed of 2" x 2" aluminum tubing. This allows operators to mount lights, cameras, or other equipment onto existing quadpod towers.
