

50' SOOW Explosion Proof Cord

CORD-50

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

Larson Electronics 50' Explosion Proof Extension Cord

The Larson Electronics EPEXC-50 Explosion Proof extension cord allows operators to safely extend the length of their explosion proof light or equipment cords beyond the boundaries of the hazardous work area. The units are constructed of 50 feet of SOOW explosion proof cord rated at 15 amps of continuous service. The cord is chemical and abrasion resistant.

Suggested Applications: Manufacturing, Industrial, Warehouse, Lighting, Explosion Proof Light Fixture, Grinders, Wet areas or Locations Where Combustible Dust is Present.
