

Please see last page for supporting documentation for this product(certificates, CAD files & drawings, IES files, wiring diagrams, etc).

The EPL-16C-xx-SP0010 from Larson Electronics is an extension pole for existing EPL-16C series carts.

The EPL-16C-xx-SP0010 is constructed from durable and strong aluminum and is powder coated with a glossy blue finish for resistance to damage. The glossy blue color also matches the finish on the EPL-16C carts for a uniform look. This extension pole raises the light head on the EPL-16C series carts to be three feet above ground.
