Larson Electronics EPP-60A Explosion Proof Plug

This explosion proof pin and sleeve plug is compatible with our [EPO-60A](#) power receptacles. This plug is rated for 60 amps and is approved Class I, Division 1 and 2, Groups C, D. This explosion proof plug features non sparking aluminum construction, recessed brass pins to prevent accidental contact, and a 60 amp current rating. This plug is designed to lock into our EPO-60A receptacles by pushing the plug into the receptacle, moving the sliding lock to the side, then pushing the plug in the rest of the way to fully seat and lock it into place.

Inter-Compatibility: These plugs are cross-interchangeable with Crouse-Hind Arktite Plugs #CES2214 and Arktite CES and CESD Arktite Receptacles and Hubbell Killark plugs #KP-604D345. Due to possible manufacturer changes we cannot guarantee interchangeability although we have made every

effort to ensure cross compatibility correctness.

Suggested Applications: Manufacturing, Industrial, Warehouse, Lighting, Motor-Generator Sets, Compressors, Wet areas or Locations Where Combustible Dust is Present.
