Model 12LDJ, Perfect for Apartment Intercom Systems

**MOST
POPULAR!**

Shown larger than actual size. Wire colors approximate actual 12LDJ colors

| Model No. | Number of Conductors | Conductor Layout | AWG Size & Type | Nominal O.D. | Approximate Wt. 1000' |
|-----------|----------------------|---------------------------------------------|-----------------|--------------|-----------------------|
| 12LDJ | 12 | 2 Twisted Pairs plus 8 Single Conductors | 22 Solid | .285 | 40 lbs. |

12LDJ cable is ideal for apartment intercom systems!

All conductors are colored differently to simplify hookup and eliminate costly wiring errors due to duplicate colors in twisted pair cables.

318/1422RG

**NEW! For Video
Intercom Systems**

| Model No. | Number of Conductors | Conductor Layout | AWG Size & Type | Nominal O.D. | Approximate Wt. 500' |
|------------|----------------------|--------------------------------------------------------------------------|----------------------------------------|--------------|----------------------|
| 318/1422RG | 17 plus RG-59U | 2 Twisted Pairs plus 10 Single Conductors plus 3 Single Conductors | 22 Solid 22 Stranded 18 Stranded | .440 | 63 lbs. |

318/1422RG cable is ideal for INTERVIEW™ video intercom systems:

- The 2 twisted pairs are for the voice, tone and door release commons.
- The 3 conductor #18 AWG wires are the video power commons.
- The RG-59U carries the video signal.
- The 10 single conductors are used for the selective ringing wires.

Includes all necessary wires for up to 10 apartments per riser!

VM-104 Video Monitor

GENEROUS DISCOUNTS may be available for bulk purchases of wire in 5,000 and 10,000 foot quantities. Types of wire can often be mixed to achieve quantity discount levels! Call your local distributor or **LEE DAN** for details.

SPECIAL ORDER CABLES AVAILABLE IN QUANTITY

Two Conductor Cables

| Model No. | Number of Conductors | Shielded | AWG Size & Type | Nominal O.D. | Approximate Wt. 1000' |

| *16PRJ16 | 32 | 22 Solid | .450 | 125 lbs. | |

*Special Order: Minimum order quantities may be required

GENERAL INFO: All wire shown is normally supplied on 1,000 foot put-ups except for 318/1422RG, 9PRJ, 11PRJ and 16PRJ which are normally supplied on 500 foot put-ups. All cable is sold in 500 or 1,000 foot multiples only, unless scrap lengths are available. Wire and cable not shown here may be available on special order. Contact your local LEE DAN® distributor or the factory for more information. All catalog prices for wire are normally shown for 1,000 foot quantities. We reserve the right to ship plus or minus 10% of quantity ordered, and bill on a pro-rata basis.

GENEROUS DISCOUNTS may be available for bulk purchases of wire in 5,000 and 10,000 foot quantities. Types of wire can often be mixed to achieve quantity discount levels! Call your local distributor or LEE DAN for details.
