

AXIS S9201 Mk II

All-in-one solution for optimal viewing

AXIS Camera Station S9201 Mk II Desktop Terminal is a compact all-in-one desktop terminal designed for optimal viewing of high-definition surveillance video where space is limited. The terminal is preloaded with AXIS Camera Station software to minimize installation time and complements Axis network video recorders to create a high performing surveillance workstation. AXIS S9201 Mk II has validated hardware and software components for optimal surveillance experience and includes three-year hardware warranty with on-site replacement service. AXIS S9201 Mk II includes a 22 inch monitor for system overview, as well as a universal keyboard and a computer mouse.
