Product Information

AXIS M1135 Mk II *2MP affordable surveillance*

AXIS M1135 Mk II is an affordable, compact box camera that's easy to install and operate. It supports PoE and redundant DC power to ensure your data is safeguarded in the event of a power outage. Featuring Axis Lightfinder and Axis Forensic WDR, it delivers true colors and great details in challenging light or near darkness. The camera's CS-mount enables flexibility for exchangeable lenses. And a built-in microphone allows you to record video with sound. With AXIS Object Analytics preinstalled, it's possible to detect and classify humans and vehicles. Furthermore, Axis Zipstream with H.264/H.265 significantly lowers bandwidth and storage requirements.

Key Features

- Compact and flexible design
- Lightfinder and Forensic WDR

*Refers to Manufacturer's Suggested Retail Price (MSRP)

** COO/HTS/ECCN - subjected to change. Please refer to the disclaimers listed under Trade Compliance section on Partner pages

- Built-in microphone for audio recording
- AXIS Object Analytics
- Support for i-CS lenses

Product Information

AXIS M1135-E Mk II *Outdoor-ready 2 MP affordable surveillance*

This affordable, outdoor-ready camera is easy to install and operate. Enclosed in an IP66-, IK10- and NEMA 4X-rated casing, it supports PoE and redundant DC power to ensure your data is safeguarded in the event of a power outage. Featuring Axis Lightfinder and Axis Forensic WDR, it delivers true colors and great details in challenging light or near darkness. Plus, audio input lets you record video with sound. The camera's CS-mount enables flexibility for exchangeable lenses. With AXIS Object Analytics preinstalled, it's possible to detect and classify humans and vehicles. Furthermore, Axis Zipstream with H.264/H.265 significantly lowers bandwidth and storage requirements.

Key Features

- Compact and flexible design
- Lightfinder and Forensic WDR
- Audio input
- AXIS Object Analytics
- Support for i-CS lenses

Product Information

AXIS M1137 Mk II *5 MP affordable surveillance*

AXIS M1137 Mk II is an affordable, compact box camera that's easy to install and operate. It supports PoE and redundant DC power to ensure your data is safeguarded in the event of a power outage.
