The Milwaukee 2314-21 M-Spector 360™ Rotating Inspection Scope features a ground-breaking rotating display enabling the user to orient the image without having to fight the cable. With a dense 640x480 digital image sensor and 4 LED lights, the M-Spector 360™ delivers best in class image quality without shadows or glare. Understanding the need to inspect at greater distances and around corners, the 2314-21 M-Spector 360™ features a 9 ft. cable with a pipe guide. Now the user can enjoy easy pipe navigation without the need for extensions. The larger 2.7" LCD display and 9mm aluminum head provide
