

Inner Strength, Redefined!

8200 Series Mortise Lock

Raising the bar of excellence.

The 8200 Series mortise lock is designed and constructed with the highest quality components to provide maximum security, performance, and durability, making it the strongest lock on the block. Considered the industry benchmark for all mortise locks on the market today, the robust lock is an attractive solution with a multitude of lever and escutcheon styles available.

Features

- ANSI/BHMA Grade 1 certified for cycle and strength requirements
- UL-cUL listed for 3 hour fire doors and windstorm applications
- Thru-bolted lever trim and strengthened cylinder retainer
- Available with security key systems (Degree, Signature, KESO, and XC)
- Available in 58 different functions, including electromechanical, security (freewheeling, security escutcheon, anti-vandal pull trim) and monitoring
- 6 lever designs, 2 roses/escutcheons designs, and 14 architectural finishes offered
- Available with behavioral health trim
- 10-year warranty
- Patented design and construction

Benefits

Strength & Reliability: Far exceeds independently verified testing, making it the strongest and most durable mortise lock in the industry. Verified for over 14 million cycles.

Security: Several security features provide additional resistance against vandalism and unauthorized entry.

Flexibility & Aesthetics: Aesthetic design combined with a variety of functions, lever designs and architectural finishes match a wide range of styles and make it ideal for all types of applications (e.g. offices, hospitals, behavioral health environments, schools/universities).

Ease of Install and Maintenance: Multifunctional lockbody makes switching functions on-site easy and reduces inventory requirements.

MicroShield®

As part of their promise to provide innovative solutions to their customers, certain ASSA ABLOY Group brands offer the MicroShield® technology, registered with the EPA and FDA. MicroShield® is a silver-based antimicrobial coating designed to inhibit the growth of bacteria.

MicroShield® is a registered trademark of Yale Security Inc., an ASSA ABLOY Group company.

ASSA ABLOY is the global leader in door opening solutions, dedicated to satisfying end-user needs for security, safety and convenience
