

BP-SUB-12PAK

In-Ceiling Subwoofer

BP-SUB-12

AUDIO

Time to bring the power to your next home theater install. Our new bandpass 12" in-ceiling subwoofer is available and shipping. Perfect design to move large amounts of air through a port tube, driving the low end with full depth and punchy bass at higher volumes. Finished with our signature Ghost style frameless grill, which matches the complementary speakers seamlessly.
